

Dear Fundraising Coordinator,

Thanks for your interest in a Scentsy fundraiser. Here at Scentsy, we know how important it is to give back to your community. In fact, generosity is one of Scentsy's core values. Fundraising is a perfect way for your supporters to show their generosity in making your school's or organization's dreams come true—whether your goal is to build a playground, fund a trip for the school band or improve your community's soccer fields.

Scentsy products are perfect for fundraisers. Scentsy Warmers use a low-watt bulb to slowly melt specially-formulated wax, maximizing its fragrance time. Safe, reasonably priced and decorative, there is no wick, flame or soot. They are perfect for use in homes, offices, schools, daycare centers—wherever fragrance can help to enhance, enliven and inspire.

Our high-quality, fragrant wickless candles come in more than 80 scents. Love the smell of freshly baked cookies? Our Corner Café Collection offers mouth-watering scents. Need a break, but can't get away? Warm scents from our Spa Collection and retreat to the spa—without leaving home. Our fragrances are also available in convenient on-the-go fragrance products to refresh cars, closets and drawers or bringing our Scentsy Buddies to life with comforting scent!

When you choose Scentsy for your fundraiser, your local Scentsy Consultant donates his or her commissions directly to your organization, making a Scentsy fundraiser unique and profitable. And, you'll feel good about partnering with a Consultant who cares about your cause and is dedicated to contributing to your community.

**Your supporters receive:**

- Safe home fragrances and decorative warmers
- High-quality, long-lasting products
- Affordable alternatives to expensive wick-and-flame candles

**Your organization receives:**

- The potential to earn outstanding profits for your group
- Fundraising support and materials from an Independent Scentsy Consultant who is passionate about your cause
- The ability to promote unique, safe home fragrances that are different from other fundraising products

As a member of the Association of Fund-Raising Distributors & Suppliers, Scentsy is committed to "contributing more than we take" in all of the communities we touch. As a local, independent business owner, your Scentsy Consultant shares our passion for Scentsy products and is ready to help your organization reach its fundraising goals. Please contact your Independent Scentsy Consultant to begin planning your fundraiser.
